2023-2024 DUAL ENROLLMENT CREDENTIAL GRANT APPLICATION

(Please Print Name)

_, acting on the behalf of __

(Please Print School District or School Name if a charter or private school)

request an allocation as provided by Wisconsin Statute 39.51 Dual Enrollment Credential Grant for the 2023-2024 academic year.

In applying for this grant, I understand and agree to the following terms and requirements:

Terms of the Grant

5.

- Grants shall be awarded to authorized school districts, charter schools and private schools to support dual enrollment programs taught in high 1. schools.
- Grants awarded are to be utilized for assisting high school teachers in covering tuition expenses for courses taken to meet the minimal 2. qualifications necessary to teach dual enrollment courses.
- 3. At application, each teacher to be disbursed must be listed along with credits taken or proposed to be taken.
- Following the school year in which the school district or school (if private or charter school) receives the grant, a report is required to be 4. submitted to the Higher Educational Aids Board (HEAB) by the school district, charter, or private school with all the following information: a. The name of each high school teacher who received financial assistance funded by the grant;
 b. The number of credits completed by each teacher funded by the district built

 - c. The number of teachers funded by the grant who are minimally qualified to teach dual enrollment courses.
 - Any unutilized funds are to be returned with the filing of the annual report.
- No new applications for funds for following years will be accepted if the previous year's annual report is not submitted to HEAB. 6.
- 7. If the amount of the grant request exceeds the amount of available funding, the funding will be divided among the applicants.

Dual Enrollment Credits Defined

- A successful applicant school district, or school applicant (if private or charter school) will be reimbursed toward coursework completed by the 1. listed teachers for the corresponding school year. HEAB reserves the right to prorate available funding.
- The amount of reimbursement will be based upon the number of credits completed or proposed to be completed within the timeframe of the 2. grant.
- The maximum amount of reimbursement per credit is defined as no larger than one-half the lowest average tuition cost of a 3-credit graduate 3. course as provided by both UW System and Wisconsin Association for Independent Colleges and Universities. HEAB may prorate available funds.
- Only coursework taken in Summer 2023, Fall 2023, Winter 2023 and Spring 2024 will be considered for awarding purposes. On page 2 list the 4. number of credits taken or proposed to be taken within the valid timeframe by teacher.

Timeline of the Grant

- Applications are due as soon as possible. Awards cannot be made after the fiscal year ends July 1, 2023; anything submitted after June 1, 2024 1. may not be able to be processed.
- Awards to successful applicants will be notified and mailed in May / June 2024. 2.
- Reports for previous year are due in the window of the next year's application. If the previous year report is not filed, no new awarding will 3. occur.

I have read and understand the Terms of the Grant, the Dual Enrollment Credits Defined and the Timeline of the Grant: _ (School District, Charter school or Private school agent initials)

I accept the grant on responsibilities, and r agreement form for in	behalf of the school distr ights, and so signify the a nstitutions records.	rict, charter school or private school listed application with my signature. I have also r	below unde retained a s	r these conditions, igned copy of this
